поездка из мерсина домой с сестрой и родителями.
6 часов в машине и в горах без связи и интернета.
выдыхаемая накопленная и недосказанная агрессия
напряжением оседает на плечи. в такие моменты
чувствую себя очень незащищенно. отворачиваюсь к окну
и достаю телефон.
довольно красивая и беспокойная поездка

a trip from mersin back home with my sister and parents.
6 hours in the car and up in the mountains, without signal or internet.
the exhaled, built-up, and unspoken aggression settles on my
shoulders as tension. in moments like this, i feel deeply unprotected.
i turn toward the window and take out my phone.
a rather beautiful and restless journey
